Retrieve the total number of male and female profiles

gender	count
	27871
Non-Binary	742
Male	37096
Female	16018

There are 37096 male profiles, 16018 female profiles, 742 Non-Binary profiles and 27871 profiles with no gender specified.

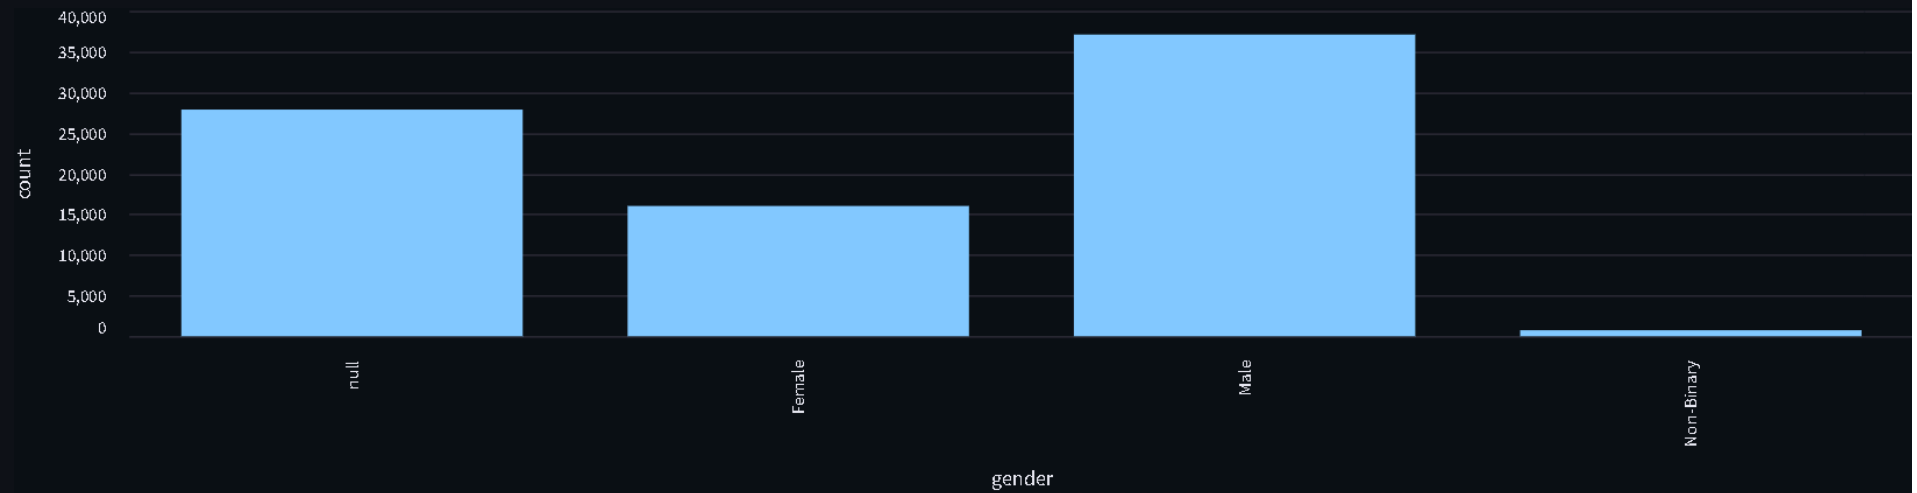

Visualization Suggestion: Based on this data, a pie chart would be appropriate to show the distribution of genders, with gender on the x-axis and count on the y-axis.

Retrieve the total number of male and female profiles

gender	count
	27871
Non-Binary	742
Male	37096
Female	16018

There are 37096 male profiles, 16018 female profiles, 742 Non-Binary profiles and 27871 profiles with no gender specified.

Visualization Suggestion: A bar chart would be appropriate to show the distribution of genders, with "Gender" on the x-axis and "Count" on the y-axis.

Summarize the anime Death Note

Death Note is a psychological thriller anime about Light Yagami, a high school student who finds a notebook that kills anyone whose name is written in it. He uses it to rid the world of criminals, but is pursued by a brilliant detective known only as L. The anime explores themes of justice, morality, and the consequences of absolute power.

Count the number of profiles for each score and organize them into groups based on the score values

	score	profile_count
0	0	1
1	1	3,561
2	2	3,815
3	3	7,204
4	4	7,537
5	5	11,154
6	6	16,497
7	7	25,826
8	8	34,814
9	9	39,695

The query returned the count of profiles for each score. A bar chart would be appropriate to visualize the distribution of profile counts across different score values. The x-axis would represent the score, and the y-axis would represent the profile count for each score.
